

1. Record Nr.	UNINA9910811053803321
Titolo	Internal medicine evidence : the practice-changing studies // editors, Joshua M. Liao, Zahir Kanjee ; special editors, Joel T. Katz, Joseph Loscalzo
Pubbl/distr/stampa	Philadelphia : , : Wolters Kluwer, , [2017] ©2017
ISBN	1-4963-8745-7
Descrizione fisica	1 online resource (272 pages)
Disciplina	616
Soggetti	Internal Medicine Evidence-Based Medicine Clinical Trials as Topic Internal medicine Evidence-based medicine Handbooks
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	"In this volume, we aspired to select, summarize, and contextualize 100 of the most practice-changing articles in the field of Internal Medicine. As practicing clinicians, medical educators, and lifelong learners, we felt particularly drawn to the challenge of exploring how evidence guides clinical choices. In doing so, we hope to shed light on the strengths and weaknesses, clinical and historical context, and impacts and caveats of important research studies that underlie common and challenging clinical decisions"--Provided by publisher.
