Sommario/riassunto	This volume draws together essays by fourteen international scholars in the field of Aramaic and Syriac studies. It is published to pay fitting honour to Professor Martin McNamara, who has contributed so much to Targumic studies for almost forty years. The contributions in this collection reflect his interests in the study of the Targums, the development of the Aramaic language and early Jewish and Christian literature. Many of the contributors to this volume have worked with Professor McNamara in preparing volumes for the Aramaic Bible series, to which he has devoted so much time and energy.
