Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Most historians of Zionism - from the 'Jerusalem School' and its followers, as well as those who call themselves 'new historians' - understand the story of Israel's establishment as a part of a broader historic story that encompasses hundreds and even thousands of years. They consider the Zionist leadership to be a unified entity and thus relate the decision to establish the state of Israel during May 1948 to international, rather than internal, restraints and challenges. The author of this ...
