Egypt -- Chapter 7. The Land of Israel -- Chapter 8. Babylonia -- Afterword -- Further Reading -- Bibliography
Sommario/riassunto	The lack of source material makes it challenging, but this short book uses the available evidence to present facts and debates around Jews in late antiquity and to provide a first step towards the understanding of this little-known period in Jewish history. It focuses on seven different regions: Italy, North Africa (except Egypt), Gaul, Spain, Egypt, the Land of Israel, and Babylonia.
