   Sommario/riassunto Featuring a complete update of the previous edition to reflect the new
                       and expanded tools of PowerPoint 2013. By providing in-depth
                       guidance, specific instructions, and helpful exercises, the book helps
                       everyday trainers to create potent e-learning through the readily
                       available popular desktop application. Established expert Jane Bozarth
                       guides readers through the powerful new and updated features of the
                       soon-to-be-released 2013 version, covering everything from text to
                       art, animation to interactivity. If you have PowerPoint, this book will
                       immediately put free real-world tools in yo
