Process before Hierarchical and Coordinate Officialdom -- III. Two Types of State and the Ends of the Legal Process -- IV. The Conflict-Solving Type of Proceeding -- V. The Policy-Implementing Type of Proceeding -- VI. Authority and Types of Justice -- Afterword -- Index
Sommario/riassunto	A leading legal scholar provides a highly original comparative analysis of how justice is administered in legal systems around the world and of the profound and often puzzling changes taking place in civil and criminal procedure. Constructing a conceptual framework of the legal process based on the link between politics and justice, Mirjan R. Damaska provides a new perspective that enables disparate procedural features to emerge as fascinating recognizable patterns. His book is "a significant work of scholarship . . . full of important insights.";-Harold J. Berman
