Note generali Nota di bibliografia Includes bibliographical references and index. Nota di contenuto General setting -- World Bank approach -- Political will and commitment -- General legal structures for regional projects --Uniqueness and challenges for Asia -- Prospects and proposals. Challenges, Lessons, and Prospects for Operationalizing Regional Sommario/riassunto Projects in Asia: Legal and Institutional Aspects is part of the World Bank Studies Series. These papers are published to communicate the results of the Bank's ongoing research and to stimulate public discourse. For the past decade and a half, international development organizations have been making continual efforts to finance multicountry projects with regional goals. Despite their efforts, the structure

of intervention through such projects has not been easy to design and

implement. Experience shows that one of the reasons fo
