Sommario/riassunto	November 2012 saw the joint annual conference of the British branch of the International Board on Books for Young People (IBBY UK) and the MA course at the National Centre for Research in Children's Literature (NCRCL) at Roehampton University. The theme of the conference was

the investigation of aspects of literature for children that were 'Beyond the Book'. From woodcuts to e-books, children's literature has always lent itself to reinterpretation and expansion. In its early days, this was a...
