Sommario/riassunto	An introductory guide to the world of finance The Basics of Finance is an accessible book for those who want to gain a better understanding of this field, but lack a strong business background. It covers essential concepts, tools, methods, and strategies in finance without delving too far into theory. Written by the experienced author team of Frank Fabozzi and Pamela Peterson Drake, this reliable resource discusses everything from financial instruments and markets to portfolio management techniques, understanding and analyzing financial statements, and different types of corp
