#### Sommario/riassunto

A gripping account of the worst disasters to hit Australia since Federation From bushfires to cyclones; sinking ships; train and plane crashes; mine explosions and bridge collapses; the Port Arthur massacre and the Bali bombings; Australia has suffered numerous terrible tragedies. Bestselling author and historian Dr Jonathan King recounts the most extreme disasters to have hit Australia, opening each account with stories of the victims who died or whose lives were irrevocably changed by them, detailing the events and conditions that contributed to them, and telling inspiring tales of heroism a
