Nota di contenuto	v. 1. The ship and its anchorage, crew, and passengers. -- v. 2. The glass of an eleventh-century shipwreck.
Sommario/riassunto	Serçe Limani or "the Glass Wreck," so called because its cargo included three metric tons of glass cullet, trafficked in both the Byzantine and Islamic worlds of its time. This first volume of the complete site report introduces the discovery, the methods of its excavation, the conservation of its artifacts, and the picture of daily shipboard life that can be drawn from this underwater museum.
