Sommario/riassunto	Creating a learning to learn school is a book for heads, senior managers and teachers interested in developing better schools,

classrooms and learners. The book sets out: why 'learning to learn' is important; the implications of learning to learn for the government's educational reforms; what is meant by learning to learn; the findings from the Campaign for Learning's learning to learn research project; how heads and teachers can develop learning to learn in their own schools.
