Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [214]-233) and index.
Nota di contenuto	COVER; COPYRIGHT; Contents; List of Figures; Introduction; Section One: Lives and Lived Experiences; Section Two: Production and Consumption; Section Three: Quantity and Quality; Section Four: Texts and Pictures; Section Five: Linking with the Past; Bibliography; Notes on Contributors; Index
Sommario/riassunto	This new textbook addresses the neglect of practical research methods in cultural studies. It provides students with clearly written overviews of research methods in cultural studies, along with guidelines on how to put these methods into operation. It advocates a multi-method approach, with students drawing from a pool of techniques and approaches suitable for their own topics of investigation.
