Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	section 1. Practical theology : a contradiction in terms? -- section 2. Issues in church and ministry -- section 3. Public theology -- section 4. Diversities of practice.
Sommario/riassunto	A ground-breaking contribution to current debates within Practical Theology and to thinking about its future. Professor Forrester argues that the boundaries of Practical Theology must be extended, and that it must be both seriously theological, and also engaged in sincere dialogue with other disciplines, the Church and society. He considers especially ministerial formation and Public Theology as areas where Practical Theology has an important contribution to make, and presents case studies looking at the practical implications of different approaches.
