Sommario/riassunto	This volume represents a study of contemporary politics and policy making in the five nation-states and three home rules territories of the Nordic region. Written by an expert in the field, its approach is systematically thematic and comparative. Chapters deal with current political science issues such as nation-building and state-building, as well as addressing intrinsically important regional questions such as whether or not there is a Nordic model of government, a distinctively Scandinavian form of parliamentarism and a superior welfare system. There is also detailed discussion of the Nordic
