Marc Watzman -- The challenge of transnational investigations -- Victim witness protection in child exploitation cases -- The difficult defense : surveying the most common issues when representing individuals accused of child exploitation -- Overview of selected trial issues -- Sentencing considerations in sexual exploitation cases : does anything work?
Sommario/riassunto	This book covers the history and present-day realities of the epidemic of child sexual exploitation and the law enforcement efforts to combat it. Written from the perspective of those who have spent their careers investigating, prosecuting, and adjudicating these cases, the authors

provide fresh, practical thinking to this challenging legal area.
