Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction : Advancing the enlightenment -- Kantian courage -- Formulating problems -- Constructing theories -- Engaging Islam -- Conclusion : The battle for autonomy.
Sommario/riassunto	"Advancing the Enlightenment draws upon John Rawls, Gilles Deleuze, and Tariq Ramadan to present a vision for progressive politics. Rather than defend Kant's ideas, heirs of the Enlightenment should create concepts such as overlapping consensus, rhizome, and space of testimony to facilitate alliances across religious and philosophical differences"--
