Sommario/riassunto

Taking into account significant developments in the metaphysical thinking of E. J. Lowe over the past 20 years, *More Kinds of Being: A Further Study of Individuation, Identity, and the Logic of Sortal Terms* presents a thorough reworking and expansion of the 1989 edition of *Kinds of Being*. Brings many of the original ideas and arguments put forth in *Kinds of Being* thoroughly up to date in light of new developments. Features a thorough reworking and expansion of the earlier work, rather than just a new edition. Reflects the author's conversion to wh
