Sommario/riassunto

This book is a collection of speeches and lectures delivered by political luminaries, practitioners and noted scholars on South Asian security at the Institute of South Asian Studies, National University of Singapore. It offers interesting insights on the emerging security dynamics of South Asia. The issues covered are highly topical and include analyses of the conflict in Afghanistan, counter-terrorism in Pakistan, conflict management in Kashmir, post-conflict restructuring in Nepal and militarization in Asia. Some of the chapters provide in-depth analyses of the regional power politics and co
