Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Part 1. God -- Part 2. Incarnation and sacraments -- Part 3. People and morals -- Part 4. Sermons.
Sommario/riassunto	"Herbert McCabe, who died in 2001, was one of the most intelligent Roman Catholic thinkers of the twentieth century. An influence on philosophers such as Anthony Kenny and Alasdair MacIntyre he was also befriended by poets and literary critics such as Seamus Heaney and Terry Eagleton. Equally at home in philosophy and theology, he despised jargon and intellectual posturing as a substitute for reason and argument. At the time of his death, he left a wealth of unpublished material- so outstanding in its quality and originality that it is surprising that it was never published in book form. This is now put to rights. In God Still Matters we have the chance to read McCabe on the topics that interested him most - philosophy of God, Christology, Fundamental theology, Sacramental theology and ethics. No-one who reads this volume will doubt that McCabe was one of the outstanding Christian thinkers of his generation and the epitome of Dominican intellectual openness and rigour."--Bloomsbury Publishing.
