Sommario/riassunto	The clarity and guidance valuation analysts have been thirsting for The business appraisal community regularly names the valuation of pass-through entities as a major issue of concern. Courts, appraisers, and the IRS have long been at odds on the topic, and the contention within the appraisal community itself over methods and inputs further

complicates the issue. Valuing Pass-Through Entities provides clarity for the analyst tasked with valuation, offering clear explanations of the different perspectives and approaches to the process. Valuing Pass-Through Entities cuts through the chatter t
