Sommario/riassunto	A reference guide to the vast array of art song literature and composers from Latin America, this book introduces the music of Latin America from a singer's perspective and provides a basis for research into the songs of this richly musical area of the world. The book is divided by country into 22 chapters, with each chapter containing an introductory

essay on the music of the region, a catalog of art songs for that country, and a list of publishers. Some chapters include information on additional sources
