Sommario/riassunto

Nancy Chodorow, in her groundbreaking book *The Reproduction of Mothering*, quite simply changed the conversation in at least three areas of study: psychoanalysis, women's studies, and sociology. In her latest book, *Individualizing Gender and Sexuality*, she examines the complexity and uniqueness of each person's personal creation of sexuality and gender and the ways that these interrelate with other aspects of psychic and cultural life. She brings her well-known theoretical agility, wide-ranging interdisciplinarity, and clinical experience to every chapter, advocating for the c
