Sommario/riassunto	Writings on film from an award-winning filmmaker and poet. As the writer, director, producer, and cinematographer of almost all her 30 films, videos, and shorts, Abigail Child has been recognized as a major and influential practitioner of experimental cinema since the early 1970's. Hallmarks of her style are the appropriation and reassembly of found footage and fragments from disparate visual sources, ranging from industrial films and documentaries to home movies, vacation photography, and snippets of old B movies. The resulting collages and montages ar
