

1. Record Nr.	UNINA9910812000503321
Titolo	Trypanosomiasis and leishmaniasis with special reference to Chagas' disease : held jointly with the Venezuelan Academy of Sciences and 'La Trinidad' Medical Center, Canada
Pubbl/distr/stampa	Amsterdam ; ; New York : , : Elsevier, , 1974
ISBN	9786613693693 9781280783302 1280783303 9780470720035 0470720034 9780470717707 047071770X
Edizione	[1st ed.]
Descrizione fisica	1 online resource (367 pages) : illustrations
Collana	Ciba Foundation symposium ; ; 20 (new ser.)
Disciplina	616.9/363
Soggetti	Trypanosomiasis Leishmaniasis Chagas' disease
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Held jointly with the Venezuelan Academy of Sciences and La Trinidad Medical Center, Caracas."
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Trypanosomiasis and Leishmaniasis with special reference to Chagas' disease; Contents; Introduction; Leishmaniasis and trypanosomiasis : the causative organisms compared and contrasted; Discussion; Epidemiology of African sleeping sickness; Discussion; Epidemiology, modes of transmission and reservoir hosts of Chagas' disease; Discussion; Epidemiology of leishmaniasis: some reflections on causation; Discussion; The African scene: mechanisms of pathogenesis in trypanosomiasis; Discussion; Pathogenic mechanisms in Chagas' cardiomyo- pathy; Pathogenesis of Chagas' disease; Discussion Cutaneous leishmaniasis: the clinical and immunopathological spectrum in South America; Discussion; The ultrastructure of pathogenic flagellates; Discussion; Immunity and antigenic variation : clinical observations suggestive of immune phenomena in

trypanosomiasis; Discussion; Nutrition and biosynthetic capabilities of flagellates: problems of in vitro cultivation and differentiation; Discussion; Intermediary metabolism of pathogenic flagellates; Discussion; The chemotherapy of trypanosomiasis and leishmaniasis: towards a more rational approach; Discussion
Drug resistance in trypanosomiasis and leishmaniasis; Discussion; General discussion; Index of Contributors; Subject index

Sommario/riassunto

The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.
