Bishop (1969): The Death Penalty in the Warren Court; 11. Brown v. Board of Education (1954, 1955): The Drafting Process in a Landmark Case
Sommario/riassunto	An important contribution to constitutional literature, this collection of ten unpublished decisions by the Warren Court puts the decision making process of the Supreme Court in a new light. By following the major changes that occur in each case from the circulation of tentative majority opinions to the final issuance of opinion, the book portrays how the justices communicate with each other and how they are influenced by each other's arguments. Interpretations and

commentaries by the author illuminate the significance of each case  
and provide insight into the different judicial philosophies a
