Nota di contenuto	My adoption so black -- Mommie dearest, Daddy's dead -- Decision made -- Mommy lessons -- Other people's fears -- Graduating into motherhood -- His name is what? -- Motherhood so white -- In limbo -- Looking for diverse parenting literature in all the right places (and finding almost none) -- Turning one and other milestones -- The Obama season -- The wait is over: rituals and rites of passage -- Everybody has an opinion -- Got my sea legs -- Building my village -- Heroes -- August gets his wish -- Boy child in the promised land -- Bad mama jamas -- Epilogue -- Stories of parenting so black.
Sommario/riassunto	"When Nefertiti Austin, a single African-American woman, decided to adopt two black children through the foster system, she was unprepared for the fact that there is no place for black women in the 'mommy wars.' Austin set off on her path with no place to seek guidance from others who looked like her or shared her experience. She soon realized that she would not only have to navigate skepticism from the adoption community, who deal almost exclusively with white

women, but surprisingly, from her own family and friends as well. *Motherhood So White* is an engaging story of family, and one of the first books to examine America's deep-seated racial tension through the lens of parenthood"--
