Sommario/riassunto

First published in 1982, Introduction to Political Economy is a clear and concise introduction to the normative aspects of economics by one of the world's leading authorities on the subject. In this highly readable book, Professor Mishan takes the student to the heart of the subject without recourse to algebra and with only the simplest of diagrams. The author carefully distinguishes the various meanings of the terms political economy, normative economics, welfare economics and allocative economics. He considers the standard allocation rules and the crucial concepts of consumer sur

Sommario/riassunto

Extrait : ""Lorsque Boabdil, dernier roi de Grenade, fut obligé d'abandonner le royaume de ses peres, il s'arreta au sommet du mont Padul. De ce lieu eleve on decouvrait la mer ou l'infortune monarque allait s'embarquer pour l'Afrique ; on apercevait aussi Grenade, la Vega et le Xenil, au bord duquel s'elevaient les tentes de Ferdinand et d'Isabelle.""
