Nota di contenuto	Background: from commission to council -- Reforming the UN principal charter-based human rights body -- Creation and mandate -- International relations theories -- Roles and functions of international organisations -- Politicisation of international organisations -- The United States and the Human Rights Council -- The Council's inaction on Darfur -- Innovative mechanisms -- Conclusion.
Sommario/riassunto	The United Nations Human Rights Council was created in 2006 to replace the UN Commission on Human Rights. The Council's mandate and founding principles demonstrate that one of the main aims, at its creation, was for the Council to overcome the Commission's flaws. Despite the need to avoid repeating its predecessor's failings, the Council's form, nature and many of its roles and functions are strikingly similar to those of the Commission. This book examines the creation and formative years of the United Nations Human Rights Council and assesses the extent to which the Council ha
