Sommario/riassunto	What are men doing in feminist discourse? Although many feminists have commented on the relation, actual or possible, of men to feminist thinking and practice, and although some male academics have written

about feminism, there has so far been little shared discussion. Men in
Feminism is the first substantial attempt to produce a dialogue
between feminists and their male allies. This lively book, comprised of
essays by both men and women, is a controversial sally in the current
debate over the future of feminist theory. Its focus is one seemingly
direct and yet surprisingly p
