Sommario/riassunto	Cities across the country rely on nonprofit organizations to provide quality services and effective campaigns that will benefit individuals, families, and communities. Reliable men and women are placed in leadership roles within these organizations, but are they prepared to lead? Dr. Troy Washington worked with and studied the leadership of Peacemaker Social Services under Gary Bellamy II, which provided him with insight into this unique line of work. With this in mind, Dr. Washington wrote Beyond the Boardroom: Examining the Concepts of an Effective Leader in a Culturally Conscious, Community-based Nonprofit Organization as a guide for anyone seeking leadership advice related to nonprofit organizations. From directors to team members, everyone makes up an important part of the overall organization. While there may not be a single definition of a leader, there are qualities that stand out among those with true leadership skills. Dr. Washington's hope is that by inspiring leaders, they will use their roles to change the lives of those around them, for the better.
