1.
Record Nr.	UNISA990001338970203316
Autore	CIAN, Marco
Titolo	La deliberazione negativa dell'assemblea nella società per azioni / Marco Cian
Pubbl/distr/stampa	Torino : G. Giappichelli, 2003
ISBN	88-348-3356-2
Descrizione fisica	XI, 210 p. ; 24 cm
Collana	Diritto commerciale interno e internazionale ; 20
Disciplina	346.4506645
Soggetti	Società per azioni - Assemblee - Deliberazioni
Collocazione	XXV.3. Coll. 1/ 37 (COLL PAO 20)
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia

2.

Record Nr.	UNINA9910454662503321
Autore	Beall Jo <1952->
Titolo	Uniting a divided city : governance and social exclusion in Johannesburg / / Jo Beall, Owen Crankshaw, Susan Parnell
Pubbl/distr/stampa	London ; ; Sterling, Va. : , : Earthscan Publications, , 2002
ISBN	1-4175-2238-0
	600-00-0258-0
	9786610475797
	1-136-54951-X
	1-280-47579-X
	1-84977-365-3
Descrizione fisica	1 online resource (272 p.) : ill
Altri autori (Persone)	CrankshawOwen
	ParnellSue
Disciplina	306/.096822/1
Soggetti	Social change - South Africa - Johannesburg
	Urban renewal - South Africa - Johannesburg
	Community development - South Africa - Johannesburg
	Municipal services - South Africa - Johannesburg
	Marginality, Social - South Africa - Johannesburg
	Electronic books.
	Johannesburg (South Africa) Social conditions
	Johannesburg (South Africa) Politics and government
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. [214]-229) and index.
Nota di contenuto	Part 1: Ways of Understanding Divided Cities - Introduction to a Divided City * Reverberations from a Divided City * Part 2: The Changing Spatial Structure of the City - Beyond Racial Fordism: Changing Patterns of Social Inequality * Post-Fordist Polarization: The Changing Spatial Order of the City * Part 3: Institutional Responses to Urban Change - Decentralization by Stealth: Democratization or Disempowerment through Developmental Local Government? * the Politics of Fiscal Austerity in Creating Equitable City Government * Part 4: Living in a Divided City - the Inner-city Challenge: Locating Partners for Urban

Regeneration * Participatory Planning and Informal Settlement Upgrading in Diepsloot * Housing and Service Consumption in Soweto * the People Behind the Walls: Insecurity, Identity and gated Communities * Conclusion: Lessons from a Uniting City * Notes * References * Index

Sommario/riassunto	Decision-makers in cities worldwide have attempted to balance harsh fiscal and administrative realities with growing demands for political, economic and social justice. This text looks at approaches to urban economic development in Johannesburg.

3.	Record Nr.	UNINA9910812248803321
	Autore	Alsina Claudi
	Titolo	Charming proofs : a journey into elegant mathematics / / Claudi Alsina, Roger B. Nelsen [[electronic resource]]
	Pubbl/distr/stampa	Washington : , : Mathematical Association of America, , 2010
	ISBN	1-61444-201-0
	Descrizione fisica	1 online resource (xxiv, 295 pages) : digital, PDF file(s)
	Collana	Dolciani Mathematical Expositions, ; v. 42 Dolciani mathematical expositions ; ; no. 42
	Disciplina	511.3/6
	Soggetti	Proof theory
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Note generali	Title from publisher's bibliographic system (viewed on 02 Oct 2015).
	Nota di bibliografia	Includes bibliographical references (p. 275-287) and index.
	Nota di contenuto	A garden of integers -- Distinguished numbers -- Points in the plane -- The polygonal playground -- A treasury of triangle theorems -- The enchantment of the equilateral triangle -- The quadrilaterals' corner -- Squares everywhere -- Curves ahead -- Adventures in tiling and coloring -- Geometry in three dimensions -- Additional theorems, problems, and proofs.
	Sommario/riassunto	Theorems and their proofs lie at the heart of mathematics. In speaking of the purely aesthetic qualities of theorems and proofs, G. H. Hardy wrote that in beautiful proofs 'there is a very high degree of unexpectedness, combined with inevitability and economy.' Charming Proofs present a collection of remarkable proofs in elementary mathematics that are exceptionally elegant, full of ingenuity, and succinct. By means of a surprising argument or a powerful visual

representation, the proofs in this collection will invite readers to enjoy the beauty of mathematics, to share their discoveries with others, and to become involved in the process of creating new proofs. Charming Proofs is organized as follows. Following a short introduction about proofs and the process of creating proofs, the authors present, in twelve chapters, a wide and varied selection of proofs they consider charming, Topics include the integers, selected real numbers, points in the plane, triangles, squares, and other polygons, curves, inequalities, plane tilings, origami, colorful proofs, three-dimensional geometry, etc. At the end of each chapter are some challenges that will draw the reader into the process of creating charming proofs. There are over 130 such challenges. Charming Proofs concludes with solutions to all of the challenges, references, and a complete index. As in the authors previous books with the MAA (Math Made Visual and When Less Is More), secondary school and college and university teachers may wish to use some of the charming proofs in their classrooms to introduce their students to mathematical elegance. Some may wish to use the book as a supplement in an introductory course on proofs, mathematical reasoning, or problem solving.
