Sommario/riassunto

In his seminal essay 'Staat und Nation' ('State and Nation') Karl Renner presents his model for national-cultural autonomy, with a two-tier system of government that devolves considerable non-territorial autonomy to national communities, while sustaining the administrative unity of the Multination State. This new book delivers the first English translation of 'State and Nation' and brings together a collection of distinguished and leading political scientists to provide a detailed and critical assessment of Renner's theory of national-cultural autonomy. From a variety of perspecti
