Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index. This is a revised and expanded version of the book first published in 2008.
Sommario/riassunto	Jack Kirby created or co-created some of comic books' most popular super heroes, including Captain America, The X-Men, The Hulk, The Fantastic Four, The Mighty Thor, Darkseid, and The New Gods. More significantly, he created much of the visual language for fantasy and adventure comics. There were comics before Kirby, but for the most part their page layout, graphics, and visual dynamic aped what was being done in syndicated newspaper strips. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well-Mark Evanier. First issued in 2008, Kirby: King of Comics was the first overview of the legendary comic book creator's career. It is now available in a smaller, more affordable package, revised and expanded for Kirby's centennial.

2. Record Nr.	UNINA9910812465103321
Autore	Bayless Theodore M. <1931->
Titolo	Advanced therapy in inflammatory bowel disease . Volume II IBD and Crohn's disease. // Theodore M. Bayless, Stephen B. Hanauer ; contributors, Alessandro Armuzzi [and one hundred and nine others]
Pubbl/distr/stampa	Shelton, Connecticut : , : People's Medical Publishing House, , 2011 ©2011
ISBN	1-60795-217-3
Edizione	[Third edition.]
Descrizione fisica	1 online resource (444 p.)
Disciplina	616.344
Soggetti	Inflammatory bowel diseases
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
