Sommario/riassunto

In the year 2000--and beyond--what will the church be like? What challenges will it face? Will the church be able to provide a strong sense of community? Will it be an ethical force in the lives of Americans? And what role will religion play in politics and in the marketplace? In Christianity in the 21st Century Robert Wuthnow reflects on these provocative questions as he seeks to identify changes that are taking place now in American society that churches must address if they are to remain vital in the future. He foresees five critical areas--institutional, ethical, doctrinal, political, and
