Nota di contenuto	Is text criticism possible? -- The Hebrew texts -- The versions -- Policies and procedures -- Textual commentary with critical text.
Sommario/riassunto	This first volume of The Hebrew Bible: A Critical Edition series, features a critical text of Proverbs with extensive text-critical introductions and commentaries. This and future HBCE volumes bring together a scholar's critical decisions into a single text. construct an eclectic text, drawing from many manuscripts or placing entirely variant texts side by side. A common approach for critical editions of other ancient books, including the New Testament, the eclectic approach and scope used in the HBCE is a first of its kind for the Hebrew Bible.Features:Emendations set in context rather than singly and marginallyIntroduction that sets out the method and purpose of the volumeExtensive list of abbreviations and sigla
