Sommario/riassunto	In The Interpersonal Unconscious, the Scharffs explore the construction and expression of the unconscious in interpersonal interaction. The authors draw from individual analysis, conjoint psychotherapy with families and couples, and from the use of group process in teaching. They introduce chaos theory applied to dynamical systems and South American theories of the link and the analytic field, now available in English. Advances in development, neuroscience, ethology, and attachment theory all contribute to their expanded view of the unconscious mind and its relationships. In turn, the Scharffs
