Sommario/riassunto	How to solve critical business challenges by generating more and better ideas Every organization needs a steady supply of fresh, relevant ideas, but managers can?t just lock teams in a room with a mandate to brainstorm and hope for the best. Ideation is both a science and an art, and when group ideation processes are well-designed and well-facilitated, anyone can generate an abundance of creative, implementable options?not to mention true breakthroughs?for any

business need. Drawing on his work leading high-stakes ideation sessions at over 300 organizations, Mattimore explains
