Sommario/riassunto	This is the fourth volume in the series Contemporary Freud: Turning Points and Critical Issues, published with the International

Psychoanalytical Association. Each book in the series presents a classic essay by Freud and discussions of the essay by prominent psychoanalytic teachers and analysts who differ in emphases and who come from different theoretical backgrounds and geographical locations. First presented as an informal lecture in 1907, "Creative Writers and Day-dreaming" pursues two lines of inquiry: it explores the origins of daydreaming and its relation to the play of children, and i
