Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	History -- Overview -- Hybridity -- Race, class, gender and survival -- Hope & despair -- Reception.
Sommario/riassunto	In the first book-length study of Vietnamese American literature, Isabelle Thuy Pelaud probes the complexities of Vietnamese American identity and politics. She provides an analytical introduction to the literature, showing how generational differences play out in genre and text. In addition, she asks, can the term Vietnamese American be disassociated from representations of the war without erasing its legacy? Pelaud delineates the historical, social, and cultural terrains of the writing as well as the critical receptions and responses to them. She moves beyond the common focus of the war and its aftermath to examine the continuing legacies of the conflict in the lives and writings of Vietnamese Americans.
