Homer and beyond. Sommario/riassunto This volume aims at offering a critical reassessment of the progress made in Homeric research in recent years, focussing on its two main trends, Neonalysis and Oral Theory. Interpreting Homer in the 21st century asks for a holistic approach that allows us to reconsider some of our methodological tools and preconceptions concerning what we call Homeric poetry. The neoanalytical and oral 'booms', which have to a large extent influenced the way we see Homer today, may be reevaluated if we are willing to endorse a more flexible approach to
