Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction: Genocide : an historical introduction -- Definitions -- Warnings -- Atrocities -- Resistance -- Reactions -- Interventions -- Justice -- Prevention.
Sommario/riassunto	"This book provides an indispensable resource for anyone researching the scourge of mass murder in the 20th and 21st centuries, effectively using primary source documents to help them understand all aspects of genocide"-- This illuminating primary source collection closely examines and analyzes primary documents related to genocides, focusing on genocidal events from the beginning of the 20th century to the present. Thematically organized into eight sections, each document comes with an introduction and analysis written by the author that helps provide the crucial historical background for the users of this title to learn about the complexities of genocide. The first section considers a range of definitional matters relating to genocide, crimes against humanity, and war crimes; the second section relates to warnings of impending genocide, and how they have been received; the third considers atrocities and how they have been perpetrated; the fourth is an

examination of examines a range of resistance initiatives that have been taken in response to genocide; the fifth looks at reactions to genocide from outside actors; the sixth considers the ways in which states have intervened to stop genocide; the seventh relates to post-genocide justice measures; and the eighth section relates to how states and NGOs have sought to prevent genocide.

Sommario/riassunto

This title illustrates how integrating RTI into all aspects of a school can go beyond assessing learning disabilities to make a significant positive impact on schoolwide student achievement. The authors show how educators can successfully implement each tier to provide effective instruction for all learners, develop an intervention approach for students at risk, and provide intensive intervention for non-responding learners.
