1. Record Nr.   UNINA9910813149703321

   Titolo   Proceedings Of Iscram 2007 : the fourth international conference on
                        information systems for crisis management, May 13 - 16, 2007, Delft,
                        the Netherlands / / editors, Bartel Van de Walle, Paul Burghardt and
                        Kees Nieuwenhuis ; cover illustration, Walter J. van Dijk ; cover design,
                        Koloriet, Leefdaal

   Pubbl/distr/stampa   Brussels, Belgium : , : VUBPress, , 2007
                        ©2007

   Descrizione fisica   1 online resource (630 p.)

                        KolorietLeefdaal

   Disciplina   658.4056

   Soggetti   Crisis management
                        Electronic data processing - Management
                        Information resources management

   Lingua di pubblicazione   Inglese

   Formato   Materiale a stampa

   Livello bibliografico   Monografia

   Note generali   Description based upon print version of record.

   Nota di bibliografia   Includes bibliographical references at the end of each chapters.
