Sommario/riassunto	Winner of both the National Book Award and the National Book Critics Circle Award and named by the Modern Library one of the twentieth century's 100 Best Non-Fiction Books, Paul Fussell's <i>The Great War and Modern Memory</i> was universally acclaimed on publication in 1970. Today, Fussell's landmark study remains as original and gripping as ever: a literate, literary, and unapologetic account of the Great War, the war that changed a generation, ushered in the modern era, and revolutionized how we see the world. This brilliant work illuminates the trauma and tragedy of modern warfare in fresh, revel
