Epilogue; Bibliographical Note; Notes; Index; About the Author

Sommario/riassunto

Azerbaijan, a small post-Soviet republic located on the western shore of the Caspian Sea, has outsized importance because of its strategic location at the crossroads of Europe and Asia, its oil resources, and its historical experience as an early modernizer in the Muslim world. This book provides a comprehensive introduction to the country from pre-Soviet times to the present day, with emphasis on the past twenty years.
