**Sommario/riassunto**

Sex work has always attracted policy, public and prurient interest. Currently, legal frameworks in developed countries range from prohibition, through partial legalisation to active regulation. Globalisation has increased women's mobility between developing and developed countries at the same time as women's employment opportunities in the developed world are shifting. Family and intimate relationships are being transformed by changing demographics, shifting social mores and new intersections between intimate lives and global markets. Sex work is located at the nexus of new intimacies, shif

Sommario/riassunto

This book aims to challenge the current orthodoxy concerning how Deleuze's work is viewed whilst also bringing illumination to bear on areas of his work that too often seem obscure even impenetrable.
