Sommario/riassunto	Philanthropy has existed in various forms in all cultures and civilizations throughout history, yet most people know little about it and its distinctive place in our lives. Why does philanthropy exist? Why do people so often turn to philanthropy when we want to make the world a better place? In essence, what is philanthropy? These fundamental questions are tackled in this engaging and original book. Written by one of the founding figures in the field of philanthropic studies, Robert L. Payton, and his former student sociologist Michael P. Moody, Understanding Philanthropy presents a new way
