Sommario/riassunto	A brilliant, sharp-edged novel of the Jazz Age by its most famous chroniclerWith his impeccable lineage and Harvard education, twenty-five-year-old Anthony Patch is one of the sparkling lights of New York society. The presumptive heir to an enormous fortune, he marries the tempestuous Kansas City socialite Gloria Gilbert, and the two embark on a life of wild extravagance and profligate pleasure, assuming that whatever they cannot afford today they will be able to pay for tomorrow. But when Anthony's inheritance disappears, so too does his sense of invincibility. A brief tour in the Great War-w
