Sommario/riassunto	Make your school soar by escalating trust between teachers, students, and families Trust is an essential element in all healthy relationships, and the relationships that exist in your school are no different. How can your school leaders or teachers cultivate trust? How can your institution maintain trust once it is established? These are the questions addressed and answered in Trust Matters: Leadership for Successful Schools, 2nd Edition. The book delves into the helpful research that has been conducted on the topic of trust in school. Although rich with research data, Trust
