| Sommario/riassunto      | "The vast majority of student-athletes dreaming of athletic stardom won't make it to the pros. Yet, the discipline and skills they've  |

developed while balancing a sport and academics make them ideally suited for satisfying careers elsewhere. In 20 Secrets to Success for NCAA Student-Athletes Who Won't Go Pro, the authors draw on personal experience, interviews, expert opinion, and industry data to provide a game plan for student-athletes through key transitions at each stage of their careers, from high school through college and beyond. Modeled on Stephen Covey's The 7 Habits of Highly Effective People, this book provides a much-needed strategy for achieving career success. Readable and concise, it will be a valuable tool for students, parents, and sports administrators"--
